

## WINE, WINE, WINE

Since 2004, St. Clare's has held an annual Wine fundraiser in support of its Social Outreach efforts. This sale generates the bulk of the funds we provide Haiti Outreach Mission to support a medical clinic and school in Mirebalais, Haiti as well as donations to other local outreach efforts.

The event kicks off with a **Wine and Appetizer tasting** when three wine distributors will showcase a dozen wines apiece in the **Social Hall, 3-6pm on Sunday, July 13.**

Tasting Tickets are \$40/person, with half going to the Outreach programs.

The tasting participants' ratings of these wines will determine the wines that will be available for the **St. Clare's Annual Wine Auction** in August/September where an additional \$60 of each wine's case price will also benefit the Outreach programs.

To order your tickets go to [www.saintclareschurch.org/tickets](http://www.saintclareschurch.org/tickets).

Note: For planning purposes, it is helpful that participants let us know they plan to attend. Still, they can get and pay for tickets at the door.
