

BAPTISM

St. Mark's Episcopal Church

Holy Baptism is full initiation by water and the Holy Spirit into Christ's Body the Church. The bond which God establishes in Baptism is indissoluble.

In the New Testament, the significance of baptism is seen more clearly. John the Baptist was sent by God to spread the news of the coming Messiah—Jesus Christ. John was directed by God (John 1:33) to baptize those who accepted his message. John's baptizing is called "a baptism of repentance for the forgiveness of sins." Mark 1:4 (NIV). Those baptized by John acknowledged their sins and professed their faith that through the coming Messiah they would be forgiven. Baptism then is significant in that it represents the forgiveness and cleansing from sin that comes through faith in the Lord Jesus Christ.

Holy Baptism is appropriately administered within the Eucharist as the chief service on a Sunday or other feast.

Each candidate for Holy Baptism is to be sponsored by one or more baptized persons. Sponsors of adults and older children present their candidates and thereby signify their endorsement of the candidates and their intention to support them by prayer and example in their Christian life. Sponsors of infants, commonly called godparents, present their candidates, make promises in their own names, and also take vows on behalf of their candidates.

It is fitting that parents be included among the godparents of their own children. Parents and godparents are to be instructed in the meaning of Baptism, in their duties to help the new Christians grow in the knowledge and love of God, and in their responsibilities as members of his Church.

If you would like to be baptized or have a member of your family baptized, please fill out this form and the rector will contact you regarding instruction, scheduling your baptism and the service.
